

KBIS 2024

# Prolific Products

**LAS VEGAS, NV** — As the winter's cold breezes and desolate landscape give way to the spring season, new and fresh products and concepts are coming alive indoors as well at the Kitchen & Bath Industry Show, being held February 27-29, 2024 at the Las Vegas Convention Center in Las Vegas, NV. Part of the 11th Annual Design & Construction Week, KBIS will again share center stage with the International Builders Show, sponsored by the National Association of Home Builders.

Celebrating both the 60th anniversary of sponsor the National Kitchen & Bath Association and KBIS, the latter promises to deliver several days packed with product innovations, educational initiatives and lively panel discussions. Over 600 exhibitors covering 450,000 square feet of space will be at the core of KBIS, with thousands of items on display.

On this and the next seven pages, *KBDN* highlights some of the products that will be showcased during the three-day event.

For detailed information and the latest updates about the show, visit [kbis.com](http://kbis.com). ■

**1. AIRMADA's** AirJet Shower Drying System uses a series of air-jet nozzles, set flush to the ceiling or walls, to rid the area of dampness. Available in eight finishes, the system reduces drying time as well as mold and mildew. [airmadadry.com](http://airmadadry.com)

**2. Lunada Bay Tile** is refreshing its Graphite tile line with two new shapes and three new colors - Klein Blue, Carmine Red and Molten Bronze. The collection is inspired by pencil drawings as well as raw ingredients. [lunadabaytile.com](http://lunadabaytile.com)

**3.** Standing over 6'x2', **SMEG's** new 19.3-cu.-ft. FAB50 refrigerator and freezer combination features ample internal space. The refrigerator is equipped with two adjustable shelves and a drawer for fruits and vegetables, along with a LifePlus compartment that offers an optimal and sustained temperature. [smeg.com](http://smeg.com)

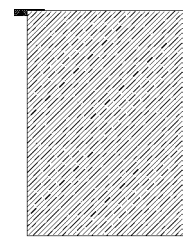

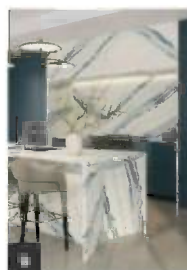

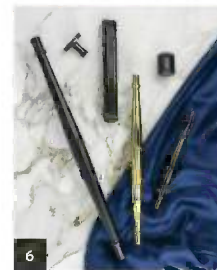

**4. Belwith Keeler** is set to reveal 11 items in contemporary finishes, including the Paramount pull, which measures 33" in overall length and sports polished end caps. It is offered in Black, Clear and Tortoise acrylic options, paired with Satin Nickel, Matte Black or Brushed Golden Brass posts and caps. [belwith-keeler.com](http://belwith-keeler.com)

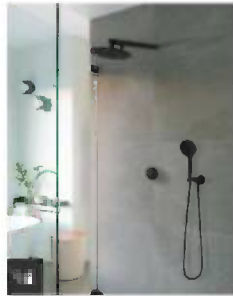

**5. Atlas Homewares'** Kayden Collection features a straight pull with subtle detailing. This modernistic collection is available in five standard pull sizes, two styles of matching knobs (one round knob and one T-knob) and five finishes. [atlashomewares.com](http://atlashomewares.com)

**6. Berenson Hardware** is updating its Laura and Dierdra lines. The knob and pulls of Laura will now be available in matte black and a 12" appliance pull size, while Dierdra will be offered in matte black, modern brushed gold and toasted bronze. This collection will also have a 128mm option and a 12" appliance pull. [berensonhardware.com](http://berensonhardware.com)

**7.** The KM7000 induction cooktops by **Miele** feature a stainless steel frame for both style and protection. Product features include auto-off and pan detection and WiFi connectivity. [mieleusa.com](http://mieleusa.com)

**8.** The Verve Trim Kit for Thermostatic Showers from **Pfister Faucets** offers a myriad of finish combinations. The back handle controls the volume, while the front handle sets the temperature. [pfisterfaucets.com](http://pfisterfaucets.com)

**9.** Blue waves surge against the white backdrop of Inverness Bristol Bay, with spires of cobalt against translucent gray colorways. This latest offering from **Cambria** is available in high gloss.  
*cambriausa.com*

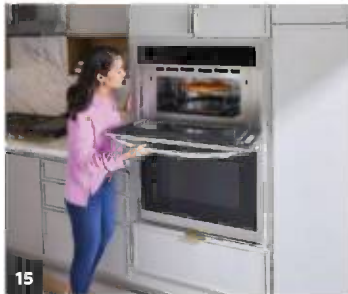

**10.** The + Q Premium Natural Quartz in Calacatta Miraggio Cove showcases a fusion of gold, white and beige veins on a gold Carrara-like backdrop. With four earth-toned colors, the surfacing is enhanced by an exclusive LumaLuxe Ultra formulation, which transforms light interaction. notes **MSI**.  
*msisurfaces.com*

**11.** **TOTO's** NEOREST LS introduces a fully skirted design and metallic trim options in silver, nickel or black. Adding to EWATER+ CLEAN TECHNOLOGY that cleans the bidet wand and bowl, the NEOREST LS utilizes EWATER+ to clean underneath the toilet seat to prevent the accumulation of waste.  
*totousa.com*

**12.** Introducing RainBox, **RainStick's** circular shower appliance that uses less than five gallons of water per 10-minute session. RainBox features the functionality as the RainStick, but the technology is installed behind the wall, providing more flexibility with the design.  
*rainstickshower.com*

**13.** **Ann Sacks** has collaborated with Shea McGee on Canyon Lake by Studio McGee, which draws inspiration from Old World tile reminiscent of Moroccan and the Zellige artform. The tiles are comprised of 51 percent recyclable content and showcase dry-pressed designs that exhibit an undulating surface.  
*annsacks.com*

**14.** **Designs of Distinction from Brown Wood's** new Designer DripEdge profile protects garbage can pull-out doors from splatters and messes. The DripEdge trim comes in four sizes and three finishes, and is designed to fit both 15" and 18" standard and full overlay doors.  
*brownwoodinc.com*

**15.** The Smart Combination Double Wall Oven from **LG Electronics** enables users to cook in a range of styles such as air fry, steam sous vide, true convection, steam baking and roasting. With an InstaView Window, users can knock twice on the glass to see inside the closed oven.  
*lg.com*

**16.** **Armac Martin's** Cocktail collection reimagines sophisticated glassware silhouettes and details and is inspired by the cocktail district of the brand's hometown of Birmingham, England. All of the company's brass interior pieces are designed and manufactured in England.  
*armacmartin.com*

**17.** Introducing two new sizes, 18" and 24", and two alternative heights, Standard and Tall, **Bertazzoni** is expanding its suite of dishwashers across its Professional, Master and Heritage Series. The dishwashers include eight wash cycles and can load 16 place settings across three racks.  
*us.bertazzoni.com*

**18.** **TERACANTO** Porcelain Surface from **LX Hausys** displays luxurious looks, organic Earth-based elements and versatile applications, states the company. TERACANTO colors can be bookmatched to offer even greater visual design interest, adds the firm. The line includes Calacatta Gold, Calacatta Extreme and Statuario Bianco.  
*lxhausys.com*

**19.** **Century Component's** charging station is crafted from solid maple with dovetailed construction. The drawer features a UL-listed Docking Drawer Outlet offering AC, USB-A and USB-C connections. It comes complete with a genuine Italian leather-covered insert and Blum Tandem undermount slides.  
*centurymade.com*

**20.** The Induction Pro Range offers the precision of induction technology packaged in a modern design, according to **Monogram**. The 30" and 36" ranges include Precision Temperature Control and a smart pan, allowing users to decide the degree of the burner.  
*monogram.com*

**21. Tulip Cooking** produces modular cooktops, including gas and the first of its kind induction. The modular units allow for flexible burner placement, with seamless integration into virtually any countertop. The gas burners offer optimal flame control and fuel efficiency, notes the firm.  
[tulipcooking.com](http://tulipcooking.com)

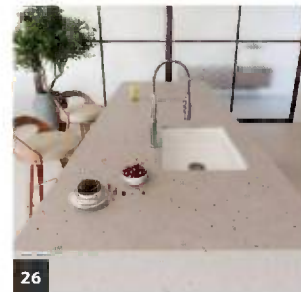

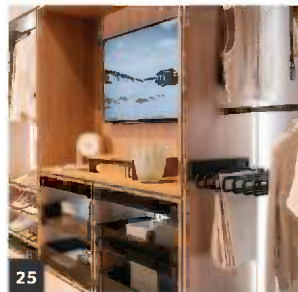

**22.** The Atlantis Shower System from **Pulse Showerspans** features an all-brass body. The three-function shower system includes a 10" rain showerhead, five body jets with PULSE Power Nozzles and a wand handshower. The system is surface mounted, pre-plumbed and designed to use two functions at a time.  
[pulseshowerspans.com](http://pulseshowerspans.com)

**23. Kallista** has debuted a new line of handles to complement the ONE bathroom collection. Inspired by the clean, curvilinear forms of American Art Deco, the **Armory handle** has lines combined with the ONE handle's polished aesthetic. Machined at two different angles, the result is a design available in five finishes and two dual-finish combinations.  
[kallista.com](http://kallista.com)

**24.** The **KitchenAid 30 Cu. Ft. 48" Built-In Side-by-Side Refrigerator** has a stainless steel PrintShield finish that resists fingerprints, notes the firm. Inside, the **Under-Shelf Prep Zone** stores food prep, chills desserts, and more, while the **Wood-Look Pull-Out Tray** keeps ingredients organized.  
[kitchenaid.com](http://kitchenaid.com)

**25.** The **CONERO** is **Kesseböhmer's** first comprehensive range of fittings for private closets and dressing rooms. Available in two finishes and a selection of components and accessories in variable sizes, CONERO is a customizable solution for the closet.  
[kessebohmer.com](http://kessebohmer.com)

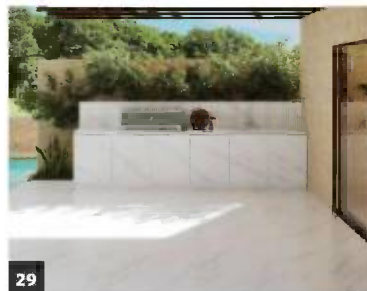

**26.** The **Urban Crush** collection from **Silestone** by **Cosentino** is inspired by the textures of industrial and urban style. Materials such as concrete, limestone, bronze and ash come together to replicate the feeling of a lively cityscape, notes the firm. The line is manufactured with the brand's patented HybriQ+ technology, using 99% reused water and 100% renewable energy. Colors include Lime Delight, Concrete Pulse (shown), Brass Relish and Cinder Craze.  
[cosentino.com](http://cosentino.com)

**27.** The **Amazonite** marble design borrows its greenish-blue background color from the mineral Amazonite found in nature. Thin random veins crisscross this surface from **Daltile**, running through crystal clusters. The 136"x79" Super Jumbo-sized quartz slab is available in both 2 cm and 3 cm thicknesses with a polished surface.  
[daltile.com](http://daltile.com)

**28. JennAir RISE 48" Dual-Fuel Professional Range** with **Chrome-Infused Griddle** features precise, dual flames produced by precision-drilled brass burners. Inside the oven cavity, steady heat weaves around each flat tine with dual-fan true convection. The cooktop includes a 20,000 BTU Dual-Stacked PowerBurner. The **JennAir Culinary Center**, which features color food photography, doneness levels, pan types and menu-specific tips, is part of the offering.  
[jennair.com](http://jennair.com)

**29. Lapitec**, the silica-free sintered stone used for designing horizontal and vertical surfaces, presents three new colors of the **Musa** collection: **Bianco Alba**, **Bianco Diana**, and **Bianco Pandora**. Characterized by a wide, passing vein that runs through the entire thickness of the slab, **Musa** colors don't use inks or petroleum derivatives, according to the company. Their color derives from the mineral composition of the material, which undergoes a process of vacuum vibro-compression and sintering.  
[lapitec.com](http://lapitec.com)

**30.** A cozy peach hue softly nestled between pink and orange, **Pantone 13-1023 Peach Fuzz** is being showcased on retro-style appliances from **Elmira Stove Works** and offered as a custom color selection. The company's **Northstar** and **Heritage** product lines are available in standard colors and over 200 RAL custom options in RAL Colors. Elmira can also color match to virtually any supplied sample, notes the firm.  
[elmirstoveworks.com](http://elmirstoveworks.com)

**31.** The Aria Stone Lukas bathtub from **Fleurco** is available in Matte White or Matte Black. It features a pre-installed full metal drain body with a color matching cover and a sleek, modern slotted overflow. Shelf color options are available in Chrome, Brushed Nickel, Dark Chrome or Brushed Gold.  
*fleurco.com*

**32.** With the **Vauth-Sagel** VS Wash laundry system, dirty laundry can be sorted, stored and transported not only neatly, but also completely out of sight. The concealed drop can be integrated into any utility area. The new laundry hampers are perforated to ensure optimal air circulation.  
*vauth-sagel.com*

**33.** **Empava's** Whirlpool Hydromassage Bathtub with glass panel is offered in a number of colors, including black, gray and white, along with customizable hardware finishes such as gold, black or stainless steel. The 11 water jets are strategically placed to soothe the key muscles and reduce body tension through a full body, deep tissue massage. The bathtub features a contemporary acrylic and fiberglass design, complemented by a tempered glass panel strategically positioned on the front. LED lighting, waterfall spout and body contouring seats are also included.  
*empava.com*

**34.** **Emtek's** new SELECT Finger Pulls and T-Knobs can be paired with coordinated SELECT Cabinet Pulls or serve as stand-alone focal points. Choose from two sizes, catering to both kitchen and wardrobe applications.  
*emtek.com*

**35.** Surfalite is an engineered stone surface from **Santamargherita** that is produced to be only 7mm thick, made from a mixture of premium minerals, quartz and recycled materials. Its thinness and subsequent lightness allow it to be used for a multitude of applications, including backsplashes, cabinet door cladding, wet wall applications and covering existing countertops. Surfalite slabs are suitable for both residential and commercial uses, and available in colors such as Aurum Strand, White Feather, Black Nimbus and Sand Dunes.  
*santamargherita.com*

**36.** **Franz Viegener's** Techno Chic collection features an eclectic, futuristic design with modern accents. Techno Chic is constructed to facilitate a natural grip - effectively preserving and concentrating force of the handle pivot, states the firm. The full Techno Chic collection includes faucets and tub fillers with widespread, wall-mount, deck-mount and freestanding floor-mounted options.  
*franzviegener.com*

**37.** **American Olean's** Foyer showcases bold veining in three different marble designs, each with its own unique character and color palette. Foyer combines the beauty of marble visuals with the durability of ColorBody porcelain.  
*americanolean.com*

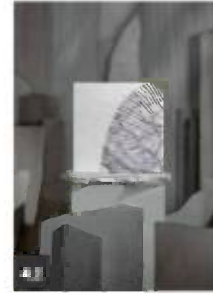

**38.** **Viking Range** introduces its new Convection DrawerMicro, an all-in-one oven that seamlessly fits into any undercounter space, notes the company. Features include Air Fry, Toast and Warm cooking modes, and an AutoStart feature that initiates cooking at preset times. The Convection DrawerMicro's 1.4-cu.-ft. oven capacity is designed to accommodate two 9"x13" or 3 qt. dishes. The Speed Cook modes pair convection and microwave heating.  
*vikingrange.com*

**39.** The **ZLINE** 60" Autograph Edition Built-in Refrigerator with Polished Gold Accents (RBIVZ-304-60-G) pairs freshness with a bold, panel-ready style, notes the firm. The Energy Star-rated unit features 32.3 cubic feet of combined storage space and an easy-to-use digital interface that offers quick adjustments to refrigerator and freezer temperatures, including EcoMode and RapidChill modes.  
*zlinekitchen.com*

**40.** The Manior Collection from **JVJ Hardware** is a French cottage-inspired cabinet hardware line fashioned from solid brass. The pulls range from 96mm to 320mm and are accompanied by three knobs - a 36mm, a 45mm and a 77mm T-knob. All are offered in Satin Brass, Matte Black, Satin Nickel and Polished Nickel.  
*jjvhardware.com*

**41.** The **AGA Elise** can now be further customized with Antique Brass Handle Stanchions and Antique Brass Knobs. The ceramic glass surface cooktop has five induction burners with integrated capacitive touch controls. The AGA Elise 48" Induction Range features three separate ovens: an electric multifunction oven with seven settings, a second European convection oven offering the ability to cook multiple large dishes at once, and a third broil oven for dedicated top-heat broiling.  
[agorangeusa.com](http://agorangeusa.com)

**42.** Duo by Alison Rose for **Artistic Tile** presents myriad possibilities through the arrangement of its two units, Duo Dimensional and Duo Texture. Duo Dimensional includes three colorways - Matcha Verde, Lilac and Vanilla Onyx - each adorned with nautical-inspired ripples that enhance the beauty of the stone, notes the firm. For Duo Texture, two colorways - Nero and Calacatta Gold - are enhanced by etched texture.  
[artistictile.com](http://artistictile.com)

**43.** The expansion of the Murano Collection from **Native Trails** includes Roma, a glass vessel sink that joins the existing five shapes — Amalfi, Lido, Positano, Sorrento and Verona. Roma, as well as Lido and Sorrento, are available in two new design series: Marina, where ribbons of blue and white hug each curve, and Seaspray, with translucent white swirls on a clear basin.  
[nativetrailshome.com](http://nativetrailshome.com)

**44.** Crystal clear accents pair with metallic finishes in the Glacio collection from **Amerock**, which is available in six finishes: Chrome, Brushed Nickel, Golden Champagne, Champagne Bronze, Oil-Rubbed Bronze and Matte Black. Accessories include a robe hook, towel ring, tissue roll holder, and 9", 18" and 24" towel bars. Glacio accessories, which coordinate with the cabinet hardware collection of the same name, is one of 12 new bath accessory collections from Amerock.  
[amerock.com](http://amerock.com)

**45.** **Falmec's** Alba highlights contemporary European design and filtration technology in the form of a geometrical concealed ceiling-mounted range hood backlit with LED lighting. Alba features a recirculating system using Falmec's Carbon.Zeo ceiling filtering kit.  
[falmec.com](http://falmec.com)

**46.** **BlueStar's** first line of Dual Fuel Ranges includes the 48" X8, the totally reimagined sealed 8-point star-shaped burner that offers from 500 BTUs to 25,000 BTUs on each burner. The 20" circumference provides even heat with 152 precision-controlled heat ports. The oversized true convection ovens fit commercial-size baking sheets and offer eight cook modes.  
[bluestarcooking.com](http://bluestarcooking.com)

**47.** New matte black grab bars from **Stone Harbor Hardware** are designed to coordinate with popular matte black bath, cabinet and door hardware, with a look that is more stylish than institutional, states the company. Available with both smooth and knurled textures, the matte black grab bars come in 12", 18", 24", 36" and 42" lengths.  
[stoneharborhardware.com](http://stoneharborhardware.com)

**48.** **James Martin Furniture's** sculptural Emmeline collection is a marriage of form and function. Available in two sizes, it features faceted panel drawers that house ample storage with a removable organizer. The Pebble Oak finish highlights the geometric pattern of the wire brushed grain, while the complex shapes add both visual and tactile depth.  
[jamesmartinfurniture.com](http://jamesmartinfurniture.com)

**49.** **THOR Kitchen's** 24" Single Zone Wine Cooler offers a wide range of models with details to accommodate wine preservation requirements. The wine cooler unit has a 45-wine bottle capacity.  
[thorkitchen.com](http://thorkitchen.com)

**50.** With a compact and narrow design, **AVENTOS HKi** from **Blum** can be fully integrated into the cabinet side. The lift technology allows users full, unobstructed access to wall cabinets. When combined with a glass front, AVENTOS HKi is invisible with the door closed, giving the cabinet an aesthetic appeal. When open, the lever arms emerge in onyx black.  
[blum.com](http://blum.com)

**51.** Clearing smoke, odors and chemicals from the air, the **Broan Elite** custom range hood operates automatically via SmartSense, which uses infrared sensing to turn on and off or adjust the speed based on the heat of the range. The WiFi-connected hood can also be controlled via voice commands and features a 650 Max Blower CFM.  
*broan-nutone.com*

**52.** The QM160WH solid surface vanity sink from **Karran** is finished in matte white and resistant to stains and scratches, notes the company. The sink is paired here with the KBF462SS single-hole bath faucet and matching pop-up drain. Together the pair presents a sleek design and contemporary aesthetic, the firm adds.  
*karran.com*

**53.** Sailing is **Fantini's** first collaboration with a North American design team and is being presented as the studio's inaugural collection for the brand. The inspiration for the collection came from Fantini's home on Lake Orta in Northern Italy. The New York- and Toronto-based design firm wanted to capture the essence of the lake's tranquility in the designs.  
*fantini.it*

**54.** **Brown Jordan Outdoor Kitchens** has launched its new finish, Sapphire Blue, which aligns with emerging trends in outdoor design that allow for fun and different color selections, according to the firm. Embodying this trend, Sapphire Blue offers a fresh option for those seeking to infuse their outdoor spaces with a splash of vibrant brilliance, the company adds  
*brownjordanoutdoorkitchens.com*

**55.** **Fisher & Paykel's** Series 9 74" Integrated Triple Zone Refrigerator introduces three independent storage zones - Chill, Fridge and Pantry - that can store items at the precise temperature and humidity. At 74" high, the refrigerator with ActiveSmart technology fits into small spaces and features cantilevered, glass bottom shelves that fully extend.  
*fisherpaykel.com*

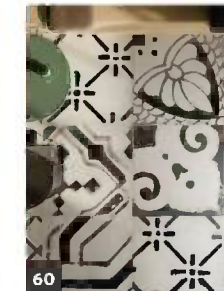

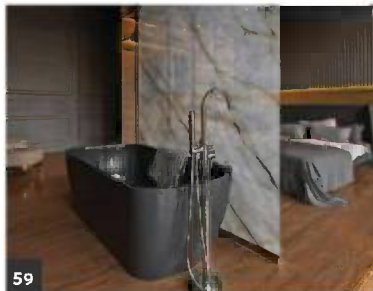

**56.** The **GE CAFÉ CustomFit** Stainless Steel Interior Smart Dishwasher incorporates Ultra Wash & Dual Convection Ultra Dry that allows users to customize their clean with a CustomFit Top Rack with Sliding and Removable Caddy, CustomFit Wash Basket and CustomFit Wash Basket Lid Caddy. With a 39 dBA, the dishwashers provide a quiet clean. The smart dishwasher includes built-in WiFi and can be controlled via the SmartHQ app.  
*cofeappliances.com*

**57.** Library ladders aren't just for the study; these work well in kitchens, closets and anywhere else where high storage is needed. **Häfele's** library ladders are available in an array of styles and finishes to improve space usability and deliver access to out-of-reach storage.  
*hafele.com*

**58.** Synchronized, soft-close and full extension, **Dynapro 2D** slides from **Grass** move with a slight pull and gentle push. Dynapro 2D, designed and assembled in Austria, is known for its smooth running performance and quiet kinematics, according to the company. An integrated rack-and-pinion system allows the slides to move in unison, improving glide, reducing noise and preventing the drawer from binding when closing for drawers up to 48" wide, the firm adds.  
*grassusa.com*

**59.** Part of **Antolini's** Exclusive Collection, **Cristallo Vitrum** conveys the image of a sheet of glacial ice, states the firm. A member of the Natural Quartz family, the surface features dark amber veins with continuing movement. It can be backlit for added drama.  
*antolini.com*

**60.** **Arizona Tile's** Riggiole is an Italian-made, rectified color body porcelain that features a contrasting black and white pattern. It has a slightly worn effect that highlights the aged look, while the black and white geometric patterns evoke the passage of time. The tiles are available in 12"x12" and 36"x36" sizes and 17 different patterns.  
*arizonatile.com*

61

62

**61.** The Lucianna range hood by **La Bastille** features a classic shape, six distinctive apron pattern selections, and three metal options of Cast Zinc, Copper and Brass. The hood comes in standard width and heights but can be tailored to fit any space. It is equipped with Vent-a-Hood's Premier Magic Lung blower. [labastille.com](http://labastille.com)

**62.** The new Caesarstone Mineral portfolio is **Caesarstone's** latest premium low-silica sustainable surfaces made with the company's blend of natural minerals and recycled materials. The new Time Collection, part of the Mineral portfolio, includes three new contemporary designs: Dreamy Carrera, Brillianza Solenna and Dreamy Carrera, shown, which displays a silky white ground with veins of earthy gray and bluish undertones with darker streaks. [caesarstone.com](http://caesarstone.com)

63

64

**63.** **Marazzi's** new Rice collection of glazed porcelain wall tile evokes the essence of handmade tile with its purposefully uneven surfaces and glossy finish. A neutral palette of Bianco, Natural and Grigio, complemented by the inclusion of a Mediterraneanan 'Blu' comes in modular 6"x6", 3"x8" and 2"x6" sizes and features straight edges. The integration of nature-inspired decos with four solid colors allows for customized installation patterns with distinct personalities. [marazziusa.com](http://marazziusa.com)

**64.** The TL75 table leg from **Doug Mockett & Co.** boasts two steel columns that intersect at the center and create a sleek X-shape. With a weight capacity of 375 pounds per leg, these legs provide significant tabletop support. Square pads sit beneath each leg to protect floors. [mockett.com](http://mockett.com)

65

66

**65.** **Summit Appliance's** single-drawer lineup brings compressor-powered refrigeration to virtually any space. Sized just under 18" high and available in a 21", 24" or 30" width, these refrigerators can be built-in under counters or into cabinetry. All feature a fully finished stainless steel drawer front that can also accept overlay panels for a custom look. Additional features include LED lighting, intuitive digital controls, removable dividers and shelves, sabbath mode and an open drawer alarm. [summitappliance.com](http://summitappliance.com)

**66.** The Outdoor Color Collection from **Lynx Grills** is available in a palette of eight vibrant shades carefully crafted in partnership with Sherwin Williams. The shades capture the essence of California's natural beauty - from golden sands to soaring peaks to legendary waters, states the firm. [lynxgrills.com](http://lynxgrills.com)

67

68

**67.** **Danver's** new Cosmopolitan Kitchen introduces the opportunity to integrate drop-in appliances like electric cookers and grills within the Cosmopolitan line. Providing an all-in-one solution that can be used for cooking, entertaining and storage, the Kitchen further expands the versatility of the Cosmopolitan portfolio of tables and buffets. The Cosmopolitan Kitchen is made to order and available in a wide range of configurations and colors. [danver.com](http://danver.com)

**68.** The Classic Retro line from **Unique Appliances** delivers 1950's style in Summer Mini Green, Ocean Mist Turquoise, Marshmallow White and Midnight Black, with chrome trims and accents. The Electric Wine Cooler features LED lighting that softly illuminates the interior, which holds up to 28 bottles. [uniqueappliances.com](http://uniqueappliances.com)

69

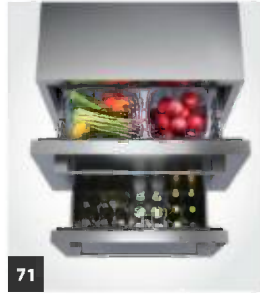

70

**69.** F70, the heavy-duty, concealed, undermount drawer slide from **Salice**, comes with a 154-lb. Dynamic Load Rating and a 170-lb. Static Load Rating. The slide boasts a full-extension, synchronized movement, a fluid dampening device and an integrated handle-less opening mechanism in the Push version. It is available in the full range of lengths from 15" to 30". [salice.com](http://salice.com)

**70.** The 4WDR drying rack with Blum soft-close from **Rev-A-Shelf** is a complete drawer system that installs into an existing 24" base cabinet; only the drawer front needs to be attached. Open the drawer and unfold the arms for up to 18 linear feet of drying space. With two positions of placement, items can dry flat or be hung to dry on the rust-resistant stainless-steel rods. [rev-a-shelf.com](http://rev-a-shelf.com)

**71.** Dometic's E-Series and D-Series of outdoor refrigerators offer freestanding and built-in drawer configurations. Both series feature precise temperature control, consistent airflow, a zero-clearance hinge that allows for seamless integration with cabinetry, and reversible door openings, as well as an ergonomic horizontal handle for improved accessibility and interior LED lighting. [dometic.com](http://dometic.com)

**72.** Samsung is introducing its first laundry pair with Pet Care features. The Smart Top Load Washer with Pet Care Solution and the Smart Dryer with Pet Care Dry work together to remove six times the pet hair and reduce pet odors, states the firm. The wash cycle creates water currents to loosen dirt and rinse hair through specially design dual pet hair filters. The 5.4-cu.-ft. washer also features the built-in Active WaterJet faucet. The dryer uses a tumbling algorithm specifically engineered to help eliminate unpleasant odors. [samsung.com](http://samsung.com)

**73.** Calacatta Black from Laminam emulates black marble with subtle hints of beige. It's available in various formats and thicknesses suitable for an array of applications, including countertops, flooring, wall cladding, furniture, wet areas, fireplace cladding and more. Calcutta Black is available in the new Polished Starlit finish and the Bocciardato finish. [laminam.com](http://laminam.com)

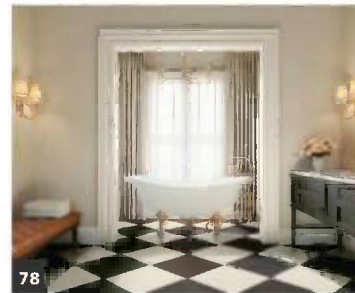

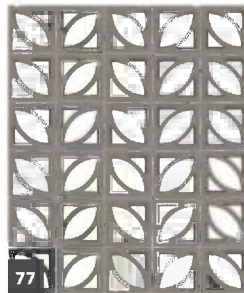

**74.** U-Line's 5 Class Collection of undercounter refrigeration offers a choice of solid door panel models or glass door models ready to accept custom frame panel. Concealed articulating hinges eliminate door clearance gaps, while being hidden behind the door. The adjustable grille accessory adapts to the cabinetry's toe kick allowing space for ventilation. [u-line.com](http://u-line.com)

**75.** Available in door hardware and several cabinet knobs and pulls, Ashley Norton's Knurled texture offers a slight industrial vibe. The new Natural Bronze finish offers a distressed look that works for those seeking an antiqued alternative to satin brass. White Medium, another new option, has a pewter look. [ashleynorton.com](http://ashleynorton.com)

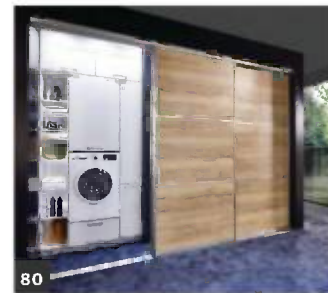

**76.** Marvel's undercounter refrigerators feature BrightShield, antimicrobial lighting that keeps food and other contents safer and healthier, notes the firm. It delivers continuous sanitizing action by casting a soft violet glow around the clock that destroys microbial cells found in viruses, bacteria, fungi, yeast, mold and mildew, keeping the surfaces it touches free from contamination. [marvel.com](http://marvel.com)

**77.** Palma Cement Breeze Blocks, Tesselle's newest breeze block collection, are available in grey and white, and provide sun protection and openness, ventilation and airflow. The block can be used outdoors or indoors, with each measuring 11.4"x11.4"x3.5". [tesselle.com](http://tesselle.com)

**78.** BlueRun from Florida Tile is offered in rectified porcelain formats including 12"x24" and 24"x24" in Antique White, Historic Greige, Atlas Gray and Fossil Black. Decorative tiles in each colorway showcase eight fun geometric patterns in a 24"x24" format. A 12"x12" mix mosaic featuring a geometric pairing of contrasting colors, an offset basketweave mosaic, and 3"x24" bullnose, complete the indoor tile options. [floridatile.com](http://floridatile.com)

**79.** ROBAM introduces its 30" Dual Fuel Range, which features five gas burners with multiple levels ranging from 5,000 to 18,000 BTU. The large capacity, 5.0-cu.-ft. European-style convection oven delivers evenly distributed heat and a wide range of temperature controls, from 80 to 550 degrees Fahrenheit. [robamliving.com](http://robamliving.com)

**80.** nobilia has expanded its sliding door system to include three colors with anti-fingerprint properties to offer more options for a more customized design, notes the firm. Making efficient use of available space, sliding doors allow for division of areas and hide functional settings such as shelf units or workspaces, the company adds. The three new colors include: Lacquer, premium honed white; Lacquer, premium honed slate gray, and taupe gray ultra matte. [nobiliakitchenfurniture.com](http://nobiliakitchenfurniture.com)
