HENRY  
BERMUDEZ

My design practice is rooted in defining American modernism with a focus on craft and sustainability. The Join Bedroom collection embodies this ethos. By reducing bedroom case goods down to their essential elements and expressing their connection, the collection celebrates the space between elements. – Joel Edmondson Design Studio in collaboration with Grayn

## S. HARRIS

**NEW PERFORMANCE COLLECTION**  
Picatrix in Saturn is from the **Chroma S24 Collection**, and on the seat, Yod in Shadow is from the Elements Binder Outdoor collection. [go.sharris.com](http://go.sharris.com)

### ERIKA CROSS **Bolt Coffee Table**

Visually playful but as precise as the hardware it represents, the Bolt coffee table is a refreshing take on an everyday object. Best of all, it spins: rotating the table top adjusts its height up or down. Detailed and well-defined, the threaded collar in the tabletop integrates with its threaded base.
