## Hardware

These hardware options for doors and cabinets uplift the style of any piece. RCO

**Self-Latching Sliding Door Sets** | Accurate Lock & Hardware  
[accuratelockandhardware.com](https://accuratelockandhardware.com)

This self-latching sliding door lock is an easy-to-operate privacy solution for ADA-compliant openings. The latch bolt is held back and released by pressing a button or by sliding the door closed against the jamb.

**Select Round Smooth Cabinet Edge Pull** | Emtek  
[emtek.com](https://emtek.com)

The Emtek Select platform, now available for Cabinet Knobs and Edge Pulls, provides a higher level of hardware customization. The Select Round Smooth Cabinet Edge Pull (shown here) comes in seven finishes.

**Wood Cabinet Hardware** | Ashley Norton  
[ashleynorton.com](https://ashleynorton.com)

Ashley Norton's latest collection of cabinet hardware features designs made of walnut, oak, and ash with a new stained black finish. Since each piece of hardware is made from real walnut and oak, no two are identical.
