## Self-Latching Sliding Door Sets

[Accurate Lock & Hardware](#)

This self-latching sliding door lock is an easy-to-operate privacy solution for ADA-compliant openings. The latch bolt is held back and released by pressing a button or by sliding the door closed against the jamb.

## Wood Cabinet Hardware

[Ashley Norton](#)

Ashley Norton's latest collection of cabinet hardware features designs made of walnut, oak, and ash with a new stained black finish. Since each piece of hardware is made from real walnut and oak, no two are identical.

## 304 Concealed Hinge

[Sugatsune](#)

This stainless-steel concealed hinge creates sleek flush entry doors that will stand up to moisture, humidity, and other weather issues. The hinge can be split into two parts, allowing for easier installation.

## Hemispheres

[Bankston Architectural](#)

Created in partnership with the New York-based design studio Civilian, Hemispheres merges industrial and art deco influences in a ten-piece collection of knobs, levers, pulls, a doorstop, a hook, and a privacy turn. The interchangeable modular pieces revolve around dome-shaped adornments.
